

サーモステッカー（温度計）製作図
（大きさ 10cm × 10cm）

The poster features a green background with a globe icon on the left. The main title is '省エネ推進温度計' (Energy-saving temperature settings) in large green characters, with the English translation 'Energy-saving temperature settings' below it. Two colored boxes indicate target temperatures: a red box for heating at 19°C and a blue box for cooling at 28°C. A black rectangular area is present below these boxes. Below the black area, text explains that the green part of the thermometer indicates the current room temperature. The bottom section lists recommended room temperatures: 28°C for summer and 19°C for winter. The Kyushu University logo is in the bottom right corner.

省エネ推進温度計
Energy-saving temperature settings

暖房時の目安
for heating
19°C

冷房時の目安
for cooling
28°C

緑色の部分が現在の室温です
The present room temperature is indicated in green.
