Reporting your safety status

Access the safety report screen.

[Access method 1]
 Access it via the URL in the safety confirmation email.

To report your safety status, click here https://anpic.jecc.jp/*****/report/*****
 ★ If you cannot access the safety report screen, please click on the URL given at the very end of the email, indicated by the text "If you cannot access the site above, report your safety status here".

Feature phone screen

Web screen

[Access method 2]
 Access the safety report screen via the [Safety Report] button on the menu.

Feature phone screen

Web screen

[Safety Report]
 • Question 1 (mandatory)
 • Question 2 (mandatory)
 • Comments (optional)
 Choose from the response options and enter any text needed, then click on the [Report safety status] button to send your report.

Responding to questionnaires

Please use the URL in the email notifying you of the questionnaire to access the questionnaire response screen and answer the questions.

Checking someone's safety

The safety search function is not available under normal circumstances. It can only be used when the university enables the search function, such as when a hazard arises.

Search via the Safety Search field or Safety Search tab on the login screen.

Feature phone screen

Web screen

Enter at least 2 characters from the name or reading of the name of the person whose safety you wish to check and then click on the [Search] button.

Feature phone screen

Web screen

When the search results are displayed, click on the name of the person whose safety you wish to check.
 *If the search returns more than 30 hits, please increase the number of characters entered and search again.

Feature phone screen

Web screen

Information about the safety status of the person whose safety you wish to check will be displayed.
