

Manuscript Writing/Publishing Workshop for Researchers and Students by **SPRINGER NATURE**

- ◆ For ALL fields of research
- ◆ Webinar lectures
- ◆ Free of charge

The *Nature Research Academies Manuscript Writing/Publishing Workshop* is designed to teach you how to write and publish papers that clearly communicate your research and make an impact. The workshop will be led by an experienced, expert lecturer from Nature Research, a division of Springer Nature, who will provide in-depth explanations on a single topic each time. The workshop will also be interactive, featuring a Q&A session, polling, chat, and other functions. We look forward to your participation!

Date

3 webinars (2 hours × 3 days)

- ① September 21 (Wed) 1:00pm-3:00pm (Topic: Effective Academic Writing)
- ② September 26 (Mon) 1:00pm-3:00pm (Topic: Maximizing Discoverability)
- ③ September 27 (Tue) 1:00pm-3:00pm (Topic: Publication Ethics)

*This workshop will be conducted in English. Researchers/students in all fields are welcome.

Eligibility & Requirements

ALL researchers and students of Kyushu University who:

- Can respond to the **Feedback Form by Nature** (distributed after each session) and the **Participant Survey by the University Office (Research Planning Section)** (distributed within a few days after the workshop)
- Will be available to participate in all 3 webinars in principle.
After each webinar, only attendees will receive a link to the archived video via email. In case you missed part of the webinars (e.g. you left/joined the webinar halfway), watch the archive later. Attendees can access the archive for 30 days after the last webinar.

Capacity

250 persons (If the number of applications exceeds the capacity, priority will be given in this order: ①researchers, ②doctoral students, ③master's students, and ④undergraduate students.)

Registration Period

August 1 (Mon) ~ August 31 (Wed)

How to Register

Access registration form below and fill out required information.

👉 <https://forms.office.com/r/hwTNRAEhsd>

NOTES

- Group registration and participation with multiple people are not allowed.

Lecturer

Dr. Jeffrey Robens (Editorial Development Manager, Nature Research)

Dr. Robens is Editorial Development Manager at Nature Research and is responsible for conducting the Nature Research Academies—training workshops to improve publication output worldwide. He has strong scientific qualifications with 20 years of academic experience and numerous publications and awards. He received his PhD from the University of Pennsylvania and then worked at premier research institutes in Singapore and Japan. Since leaving academia in 2012, he has conducted over 400 days of academic training workshops worldwide to help researchers improve their publication quality and impact.
