

WORKSHOP

UN/REAL

Transcultural Perspectives on Digital Living

UN/REAL brings together academics, creatives and other project partners with a strong transcultural interest in generating innovative knowledge that allows us to understand and improve digital living. We will discuss wellbeing issues such as (self-)isolation, stress, addiction, depression and fatigue, but also debate the need for a new definition of 'the real' in the digital age.

**FRIDAY 11 NOVEMBER,
13:00 – 17:00
HYBRID EVENT**

On-site: Kyushu University, Ito
Campus, Center Zone 5, Room 5511
