

Manuscript Writing & Publishing Workshop for Researchers by **SPRINGER NATURE**

The Nature Masterclasses Manuscript Writing Workshop is a highly specialized workshop designed for researchers aiming to publish in high-impact journals, where editors from Nature Portfolio (a division of Springer Nature) provide guidance on manuscript writing and publishing. In addition to the two webinar lectures, you will each have a 10-minute *Abstract Review Session* where the editor will review the abstract of your manuscript and provide feedback.

- ◆ 3 Days
- ◆ ONLINE
- ◆ Free of Charge

Main Focus of Workshop: Medicine (/Dentistry) and Pharmacy

Date

- ① March 28 (Tue) 2:00PM-4:30PM Webinar①: Focus on Writing and Publishing
② March 29 (Wed) 9:00AM-11:30AM Abstract Review Session Group①
2:00PM-4:30PM Abstract Review Session Group②
③ March 30 (Thu) 9:00AM-11:30AM Webinar②: Focus on Publishing

*Participants are required to submit an abstract of their manuscript (preferably unpublished) prior to the Abstract Review Session. Each participant will be allocated to either group ①(9am-11:30am) or group②(2pm-4:30pm) and have a ten-minute session within the timeframe.

Eligibility

University faculty members (Professor, Associate Professor, Lecturer, Assistant Professor) who:

1. Are able to prepare an abstract of a manuscript (preferably unpublished)
2. Are able to attend all three days of the workshop
3. Will cooperate in the two questionnaires by ①Nature and ②the University, which will be sent out by Email after the workshop.

Capacity

30 people

Important Note on Application : If the number of applicants exceeds the capacity (30), a selection will be conducted. In such case, priority will be given in the following order:

- (i) Applicants who have received a Grant-in-Aid for Scientific Research (B) OR a competitive grant with an allocation of 5 million yen or more within the past five years, as the PI of the project.
- (ii) Applicants who have received a competitive grant of less than 5 million yen in the past five years, as the Principal Investigator of the project.
- (iii) Applicants other than (i) and (ii)

Within each of the (i), (ii), (iii) category, applicants of younger age will be prioritized.

After the application deadline, all applicants will be notified of the results of the selection process via Email. If you have not received such Email **by March 8 at 12PM**, please contact us at (kekkesien@jimu.kyushu-u.ac.jp).

Signup

January 23 (Mon) ~ February 24 (Fri) @5pm
