

Kyushu University has built a strong relationship with Malaysia, exemplified by its contributions to the establishment and operation of the Malaysia-Japan International Institute of Technology (MJIIT), a Japanese-style engineering higher education institution located in Kuala Lumpur.

In this special event, Dr. Mahathir bin Mohamad will deliver a lecture, followed by an interactive dialogue session with the audience, especially the younger generation. Drawing on his diverse achievements—including his leadership in driving Malaysia's economic growth—Dr. Mahathir will share a message for the future.
