

A Student Forum Not Only For Students!

Viewpoints about COVID-19 from the two countries on the verge of the Asian continent, Japan and Israel

COVID-19 has profoundly impacted so many aspects of our lives. Lockdowns, vaccination, mandatory social distancing, job losses, closed campuses, virtual learning are just some examples.

This forum is bringing students, experts and locals together virtually from all over the world to show how COVID-19 has changed how they live and learn.

Join us sharing experiences of coping with the changes in our daily, academic and professional lives since the outbreak of COVID-19.

How are you rising to overcome these challenges?
