* “Policy Debate” is a style of competitive debate popularly practiced in Japan and the US, which requires prepared documents with citations like academic papers. ** “Parliamentary Debate” competition is popular around the world, which uses extemporaneous style of speaking on the motion given on the spot in the tournament. In this demo debate, it will be announced in advance. The American team’s Japan tour is sponsored by the Japan Debate Association (JDA) & the US National Communication Association, Committee on International Discussion and Debate (NCA-CIDD). This Ito Campus event is co-sponsored by the JDA Kyushu Chapter and Kyushu University Faculty of Languages & Cultures (FLC) with the help of the Kyushu University ESS, Kyushu University School of ISI and KIKAN Education.
