◎ About WEB application

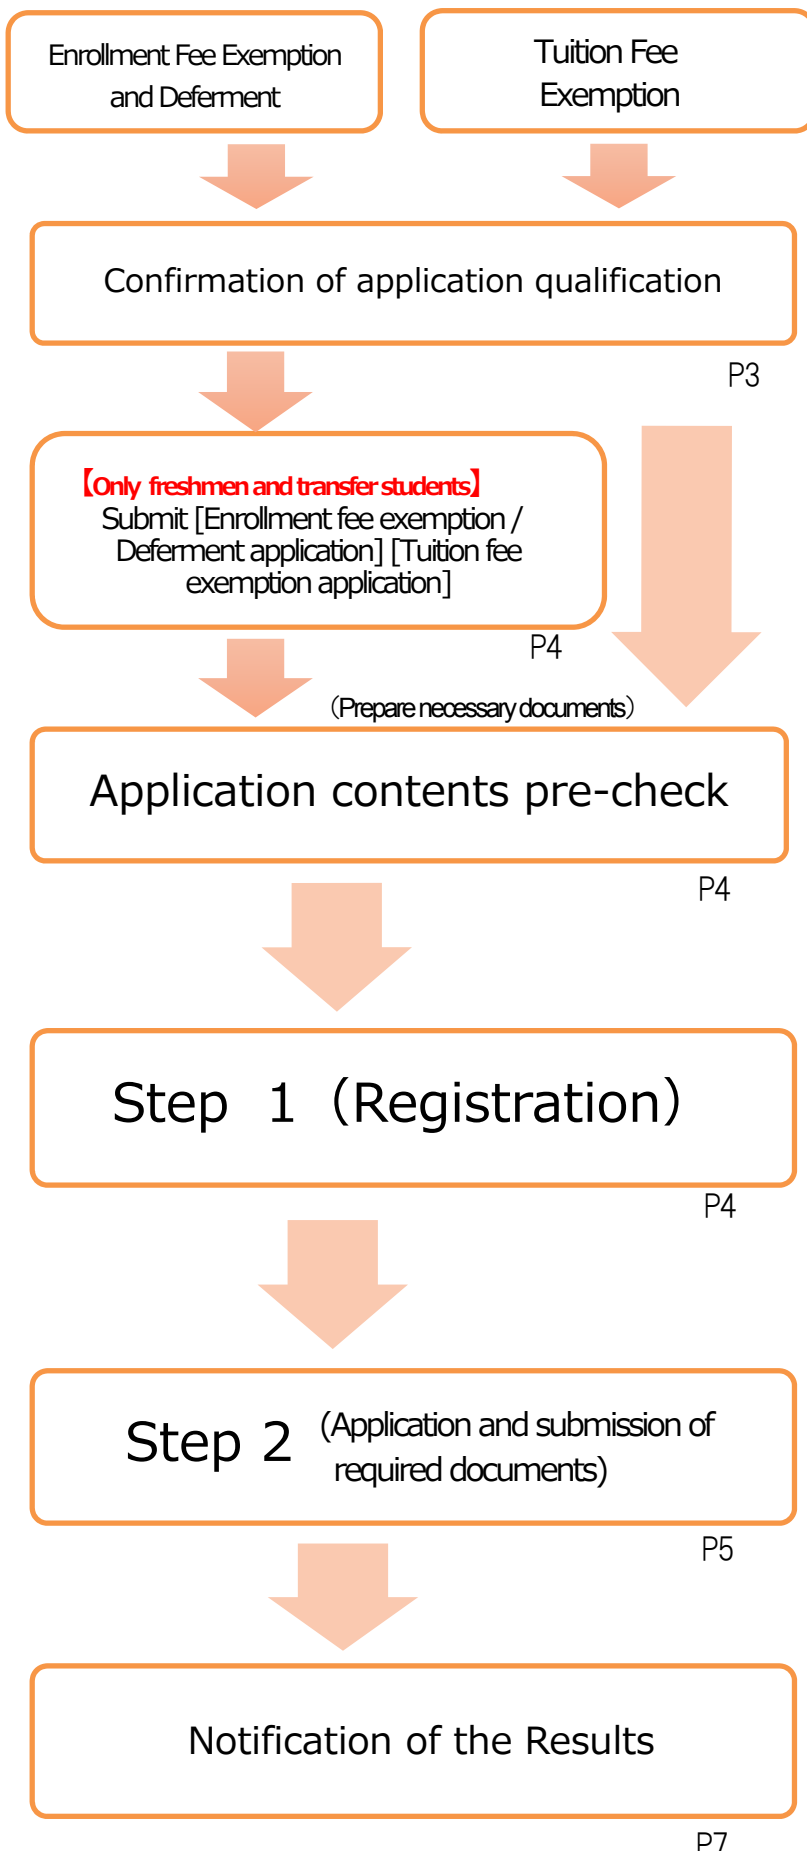

Regarding the application for enrollment fee exemption/deferment and tuition fee exemption, you used to apply by paper base in the past, but from 2018 we have started the WEB application system at all undergraduate and graduate schools.

For details of the WEB application system, please check "Exemption Application System Operation Manual".

[Privacy Policy]

The contents stated in the application form and the documents submitted will be used for screening and economic support implemented by the university and will not be used for other purposes.

【Flow of application】

Please make sure that you are eligible for the exemption application.
 ※Prior confirmation is necessary for following cases: undergraduate student's application for enrollment fee exemption and overtime student's application.

Please submit the application forms along with other admission procedures documents at the time of enrollment.
 ※The application will be invalid if you do not complete the Step1-2 , even if you do this procedure.

In order to apply smoothly via WEB, we will check the application and necessary documents, so please bring them to the windows.

In the WEB application system, you will enter about the household economy (income) and the family situation etc based on the prepared form and certificate documents. Please refer to "Exemption Application System Operation Manual" for more details.

Please print out "Application form" after completing the application. Make sure to check everything before you print out.

Please submit "Application Form" and "Form /Certificate Documents etc" to the designated window. We will check the documents submitted to the window. If there is any incompleteness, we will contact you, so please respond promptly.

We will inform the result through "Student Portal System". Please check the result online.

◆ Application period for tuition exemption ◆

《 Spring semester 》

In tuition exemption application, you can select either "Spring Semester Application" or "Spring and Fall Semester Application" at the time of the Spring Semester Application period. If you wish to apply throughout the year, please select "Spring and Fall Semester Application ". In that case, you do not have to apply in Fall Semester again. If your circumstances changed from the submission of Spring Semester, you must submit the document for the application change in Fall Semester.

If applicants are not going to apply for Fall Semester or those who start a doctoral course in October (e.g.: completing a master's degree in September and taking up a doctoral course from October), please choose [Spring semester].

《 Fall semester 》

In Registration period for Fall Semester, applicants are able to choose [New application for the Fall Semester] only.

* Please note that the screening will be conducted every semester, so the selection results for the Spring semester will not be applied in Fall Semester.

③ Step 2 (Application and submission of required documents)

Please print out "Application Form". You also need to prepare "Necessary Forms and Documents". "Application Form" should be printed out in **A3 size of landscape orientation**. In principle, you must submit them to the following windows in your campus.
