

Registration for Kyushu University Alumni Association

Kyushu University (KU) has launched an initiative “Registration for KU Alumni Association”, aiming to strengthen the networks between overseas alumni associations and KU, and help promote their activities.

Based on the KU Alumni Registration Form, KU officially registers the alumni associations. The association needs to fulfill the requirements that it shall have more than 10 members, a chairperson and a constitution/regulation.

KU provides the registered associations with the university flag as a certificate and the following information or services to the extent possible.

1. Official announcement of the registered association on the KU homepage
2. Networking with current KU students from the same country/area.
3. Networking with current KU students staying in the same country/area.
4. KU senior management’s participation in the association events
5. PR magazines and other materials from KU
