Provisional Application for Enrollment Fee Exemption/Deferment (for Graduate Students)

Name		Graduate School	
Examinee's Number		Phone *Contactable for daily	
E-mail			

(1) Please select which you wish to apply and put a check mark ✓ in a box.

☐ **Only Enrollment Fee Exemption**	Please move on (2)
☐ **Both, Enrollment Fee Exemption and Deferment**	
☐ **Only Enrollment Fee Deferment***	

*"Deferment" does not include "exemption". It is for that the deadline of enrollment fee payment will be extended if your application is approved.

(2) For your application reason below, please put a check mark ✓ in a box.

☐ Students who cannot afford to pay the enrollment fee for economic reasons.	Please move on (3)
☐ • Students who are recognized as being economically challenged to pay the enrollment fee because a main provider of their educational expenses lives in Japan passed away within a year before the enrollment or the students/provider lives in Japan has suffered from natural disasters from October 2023 to September 2024. • Students who are recognized as being economically challenged to pay the enrollment fee because the students/provider lives in Japan has suffered from The Great East Japan Earthquake, Kumamoto Earthquake in 2016, Torrential Rain in July 2018, Hokkaido Eastern Iburi Earthquake in 2018, Typhoon 19 in 2019, Torrential Rain in July 2020 in Japan and/or The Noto Peninsula Earthquake in 2024.	
In case of a main provider's passing away, please write the date (Year/Month/Date) and relationship (e.g. Father, Mother) on a blank below. In case of disasters, please write a name of the disaster, a disaster-stricken date and damage situation on a blank below.	

(3) Please confirm points of note as following and put a check mark ✓ in a box as your agreement if you wish to apply application for enrollment fee exemption/deferment.

★ For submitting this Provisional Application, your enrollment fee payment will be deferred at the enrollment procedure. However, if you pay it, you cannot apply this enrollment fee exemption (deferment).

★ Your application has not done yet even you submit this document. For completing your application, you have to do Application Step 1 (Web registration) AND Application Step 2 (Documents Submission) during the designated period after enrolling the university.

★ In case you submit "Provisional Application" but will not complete Application Step 1 and 2 after enrolling at the university, your application of those exemption/deferment will be invalid and canceled. Furthermore, penalty late fee will be charged to the enrollment fee of your payment after a deadline of Application Step 2.

★ Your application will be decline, if you will pay your enrollment fee before receiving a screening result.

☐ **I understand points of note above and apply provisional application for Enrollment Fee Exemption/Deferment. Furthermore, I swear that I will pay my enrollment fee immediately in case of imcomplete Step 1 and 2 within those deadline or declines of this exemption/deferment application.**
