Application Instructions (October 2026)

The following instructions are for those applying for admission to the International Undergraduate Program in Bioresource and Bioenvironment starting in October 2026. We have two different types of admissions: Type A and Type B. This application instruction document is for those who are going to apply under admission Type B. The International Undergraduate Program is a four-year bachelor program, in which all classes, with the exception of Japanese language classes, are taught in English.

1. October 2026 Intake

Approximately 10 students in total

Admission	Applicants	Quota	Schedule
Type A	Students who take the Japanese University Entrance Examinations	Limited	Application: December First Screening : February Second Screening : February - March
Type B	Students who have or will have graduated from a high school located outside Japan or an international/foreign school located in Japan or obtained the IB at a high school in Japan	Limited	

2. Admission Policy

In the Department of Bioresource and Bioenvironment, we strive to provide our students with extensive scientific knowledge in bioresource, bioenvironment, biotechnology, and food science to enable them to acquire global expertise and skills in these advanced technologies, whilst also developing as well-balanced human beings.

The Department invites applicants who:

- Have a deep interest in scientific fields such as bioresource, bioenvironment, biotechnology, and food science and are highly motivated to pursue their careers in such fields.
- Show interest in a broad range of fields, since the study of bioresource and bioenvironment encompasses natural as well as social sciences as both basic and applied subjects, and as such, requires interdisciplinary knowledge.
- Are highly motivated to improve their communication skills and acquire a global perspective. In this age of globalization, students are expected to develop high-level foreign language proficiency, particularly in English, and to be prepared for leadership roles in a global society.

3. Eligibility

Applicants must meet one of the following requirements:

1. Completed or expected to complete 12 years of schooling outside Japan by September 30, 2026^(*1) (or equivalent, as recognized by the Japanese Minister of Education, Culture, Sports, Science and Technology.)^(*2)
2. Those who have, or who are expected to have by September 30, 2026, the International Baccalaureate Diploma, the German Abitur, the French Baccalaureate, the European Baccalaureate, or General Certificate of Education Advanced Level;^(*3) International Advanced Level, or who have completed or are expected to complete 12 years of primary to secondary education at an educational institution accredited by the Western Association of School and College (WASC), the Association of Christian Schools International (ACSI), Council of International Schools (CIS), New England Association of School and Colleges (NEASC), Cognia, or COBIS by September 30, 2026.
3. Those who have completed or are expected to complete a course at designated international school or a foreign educational institute by September 30, 2026 that offers its curriculum in Japan and that is recognized as an equivalent to a high school of the foreign country or region under their educational system by the Japanese Minister of Education, Culture, Sports, Science and Technology.
4. Aged 18 or over as of September 30, 2026 who are recognized, by the University's *ad hoc* pre-qualification screening, as having an academic level equivalent to or superior to those who have completed 12 years of schooling.^(*4)

*1: You are eligible to apply if you completed your school education outside Japan in less than 12 years, due to grade skipping and/or early graduation, but the standard duration of schooling as legally stipulated in your country is 12 years or longer. Please direct any inquiries to the Admission Division of the Student Affairs Department at Kyushu University.

*2: Those recognized as having completed or being expected to complete a course equivalent to 12 years of schooling by the Japanese Minister of Education, Culture, Sports, Science and Technology are the following:

- (1) Those aged 18 or over as of September 30, 2026 who have passed a qualification test by September 30, 2026 to determine whether they have academic ability equivalent, or superior, to those who have completed a 12-year school education course in a foreign country or region.
- (2) Those who have received education in a country or region where its elementary and secondary education is completed in less than 12 years, and also have completed or are expected to complete a Japanese preparatory course recognized by the Japanese Minister of Education, Culture, Sports, Science and Technology by September 30, 2026.
- (3) Those who have completed or are expected to complete a course that is recognized by the Japanese Minister of Education, Culture, Sports, Science and Technology at an educational institute outside Japan which is equivalent to a high school by September 30, 2026. (Only applies to those who have completed a course of 11** or more years of school education in his/her residing country and meet the requirements set by the Japanese Minister of Education, Culture, Sports, Science and Technology.)

*3: For details, including the subjects and the grades required, please contact the Admission Division of the Student Affairs Department at Kyushu University.

*4: For details, see page 15 "Ad Hoc Pre-qualification Screening."

All applicants must take a standardized test that we designate in the application instructions. Refer to 4.5. No application is accepted without the score report of a standardized test.

If you are unable to submit a test score certificate showing the subjects taken and scores by the submission deadline, we will be unable to accept your application.

4. Application Procedure *All times listed are Japan Time

4.1. Application Period

You can only apply for one undergraduate program at Kyushu University for the October 2026 admission.

Therefore, you are NOT able to apply to any other International Undergraduate Program ("Interdisciplinary Science and Innovation" / "Engineering") if you apply to Bioresource and Bioenvironment.

Application Period	December 8- December 19, 2025, 5 p.m.
--------------------	---------------------------------------

Please visit the following page to access the Kyushu University online application system to take the first step in the application process:

<https://www.kyushu-u.ac.jp/en/admission/faculty/foreign/foreign10/>

You can access the online application system from 10 a.m., December 5, 2025, until 5 p.m., December 12, 2025.

After completing the online application registration as well as the Application Form (downloaded from our website and printed), send the Application Form along with the other necessary documents. The application documents **must be received** by the Admission Division of the Student Affairs Department at Kyushu University by 5 p.m., December 19, 2025. Please allow enough time for delivery. No application received outside this period will be considered under any circumstances.

4.2. Application Fee

Applicants	Those who have only a foreign nationality	Those who have Japanese nationality*
Application Fee	10,000 JPY	17,000 JPY
Payment Period	December 5 –December 12, 2025, 5 p.m.	

※ "Those who have Japanese nationality" includes anyone who has dual nationality that includes Japanese nationality.

- The application fee must be paid after registering your application online either by credit card, at a convenience store (only in Japan), through an ATM (only in Japan), through internet banking (only in Japan), or by bank transfer. All necessary fees to make the payment must be borne by the remitter.
- Applications will not be accepted until the proof of payment has been received. Please make sure to complete the payment before posting the application documents.

Payment by Bank Transfer

- Any costs required for bank remittances (fees, shortfalls in the remittance amount due to exchange rate fluctuations, etc.) are the responsibility of the remitter.

Since remittance fees vary from bank to bank, please check with your bank for the amount including necessary fees.

When using the payment slip, please write "Application Fee" in the "Purpose of Remittance" column and your name, nationality, and the alphabet code of your department, "AG" in the "Recipient" column.

Bank	Sumitomo Mitsui Banking Corporation
Branch	Fukuoka Branch
Account Type	Savings Account
Account Number	7119240
Account Holder	Kyushu University

Note: Once your application is accepted, the application fee will not be refunded. In case you do not send your application documents, or your application is not accepted for any reason after you have paid your application fee, the full application fee will be refunded upon your request. For those who have Japanese nationality, if you fail to pass the first screening, 13,000 JPY will be refunded upon your request. If you have foreign nationality only, you do not qualify to be refunded when failing to pass the first screening.

4.3. Application Documents

All application forms and documents should be completed in English. **If the documents are in a language other than English or Japanese, be sure to attach a Japanese or English translation. The translation must be certified by the Japanese Embassy or an educational institution such as your high school.**

Application materials that have been received will not be returned for any reason. If you have only one copy or for some reason cannot submit the original one, submit a certified true copy verified by the school principal/head of the institution or notary office. No uncertified photocopies will be accepted (except for your passport).

In case you send some documents separately, such as test scores or certificates from your school, check applicable items or enter the document names on the last page of your application form.

Fill out the registration number you acquired through your online application on the upper right of all your application documents. (e.g. AG●●●●) If your school sends some documents directly to us, be sure to provide your registration number and have them mark it clearly on the envelope.

All applicants must take a standardized test (see table for the list of acceptable tests). No application is accepted without the score report of a standardized test or a school predicted grade report when the standardized test is normally taken in 2026 after the application period.

4.4. Send Application Form and Documents via Registered Mail

Send all the necessary application documents listed in the table of "Required Documents" to the mailing address below, via registered airmail or courier such as DHL, FedEx, OCS, or EMS to reach us by 5 p.m., December 19, 2025. In case you order your test score to be sent directly to Kyushu University from the testing institution, your score needs to reach us by the deadline of the document submission period. If it reaches us before the document submission period opens, we will keep it and add it to your application documents on our side.

- Please remove all staples from all application documents and certificates. Documents can be attached using paperclips or similar easily removed binders.
- Please mark all the application materials with page numbers at the bottom in pencil. Even if some of the documents have their own page numbers, add the additional page number separately so that we know the order of your application materials.

- If any of the application documents are incomplete, your application will not be accepted.
- Once we accept your application, you can no longer change the program applied for under any circumstances.
- Once submitted, the application documents will not be returned.

If you have any questions after completing online registration, please email us with the following items.

- Subject: Inquiries regarding October 2026 admission
- Your registration number (AG ●●●●●), and your full name

After your application documents reach us, we will contact you by email only if they are incomplete.

(*Please track the documents yourself in order to confirm their arrival.)

5. Screening Process *All times listed are Japan Time

The University's evaluation process consists of two screenings – first and second.

5.1. First Screening

The first screening is based on a comprehensive evaluation of the submitted documents.

The result of the first screening will be announced as a list of the applicants who qualified to enter the second round, posted at the following URL using the applicants Application ID Number (not the registration number).

<https://www.kyushu-u.ac.jp/en/admission/faculty/foreign/foreign10/>.

【Application ID Number】

Before confirming the result, please check your application ID number through the online application system with your on-line registration number, security code, and date of birth between February 1 and March 31.

Announcement Date	February 13, 2026, 11 a.m.
-------------------	----------------------------

5.2. Second Screening

The applicants who have successfully passed the first screening will proceed to the second screening, which consists of a comprehensive evaluation of submitted documents and an interview.

Interviews will be conducted as an on-line interview using a remote conference system, telephone, or other communication device to interview qualified candidates during the period shown below.

Interview Period (Estimated)	February 19 to March 12, 2026
------------------------------	-------------------------------

*The following are some examples of actions that applicants should not do during the interview. If you have committed such an act, we will terminate the interview immediately, the interview results will be invalidated, and you will not be allowed to take any further examinations. In this case, the application fee already paid will not be refunded.

- Wrongdoing or cheating such as using a phony test-taker, receiving help from another person, or use of generative AI (such as ChatGPT or DeepSeek) during the interview.
- Revealing the contents of the screening to anyone, such as by posts on the internet, SNS etc.

- Recording of the interview by the examinee or other party.

In addition, if any misconduct is discovered after you have passed the examination, your admission will be canceled. In such cases, the application fee, enrollment fee, and tuition fee will not be refunded. If it is determined that the misconduct seriously interfered with the operation of our admissions, we may file a damage report with the police.

Details of the second screening will be provided after the first screening results are announced.

6. Applicants with Disabilities

The University provides consultation for applicants with disabilities who may require special arrangements during the second screening or in classes after enrollment. Please contact the Admission Division as soon as possible prior to the application process as it sometimes takes extra time to decide on the arrangements required depending on the situation. (Consultation Deadline: October 1, 2025)

Admission Division: nyu-inquiry@jimu.kyushu-u.ac.jp

We welcome applications from all suitably qualified candidates.

7. Admission Decision Announcement

The application ID numbers of successful applicants will be posted on the date below at <https://www.kyushu-u.ac.jp/en/admission/faculty/foreign/foreign10/>. The result notification will also be mailed on the same day to all successful applicants.

Announcement Date	March 23, 2026, 11 a.m.
-------------------	-------------------------

※E-mail/telephone inquiries regarding screening results will not be answered.

8. Enrollment Procedure

Information regarding enrollment will be sent to all successful applicants after the second screening.

The enrollment fee must be paid during the payment period. To make your enrollment official, you must submit the receipt for the payment by the enrollment procedure deadline shown below. In case you do not complete the enrollment procedure by the deadline, you will be regarded as withdrawing from admission.

Enrollment Fee	282,000 JPY
Payment Period	March 24 – April 10, 2026, 11 p.m.
Enrollment Procedure Deadline	April 13, 2026

Notes:

- The enrollment fee will not be refunded under any circumstances.
- The amount of the enrollment fee is subject to change. Details will be provided with the admission announcement.
- We have an enrollment fee payment deferment system. If you have difficulty paying it during the above period, please

contact us.

9. Financial Aid and Other Benefits

Note: The terms of the scholarship and other aid are subject to change without prior notice.

Under the Japanese immigration law, Japanese nationals, including dual/multiple nationality holders, will have to enter Japan with a Japanese passport. Therefore, you will be considered and treated as Japanese although you have been admitted through the admission process for international students. Furthermore, please note that you will also not be eligible for things that require having a student visa, including some scholarships and tuition/insurance exemptions for international students who have a student visa, etc.

9.1. Exemption of Half Tuition

You are entitled to receive an exemption of half the tuition cost for the first year (two semesters) if you hold a foreign nationality only and meet **all** of the following four conditions:

1. You do not have a Japanese nationality.
2. You have acquired a qualification to apply for Kyushu University outside Japan.
3. You reside outside Japan at the time of application.
4. You will obtain a new student visa and enter Japan to study at Kyushu University.

Tuition	Original Amount	After Exemption
1st year (per semester)	267,900 JPY	133,950 JPY

9.2. JAPANESE GOVERNMENT (MEXT) SCHOLARSHIP

For those students who plan to apply for the School of Engineering or International Undergraduate Program in Bioresource and Bioenvironment.

(a) Eligibility: Successful applicants with outstanding screening results are eligible to apply.

(b) Duration, amount of monthly allowance, and other benefits:

- Four years with 117,000 JPY per month
- Exemption from the enrollment fee and the tuition fee (for four years)
- Airline tickets are provided for you to come to Japan for enrollment and to return to your country after graduation.

(c) Only a limited number of MEXT scholarships are usually available. Kyushu University will select the most outstanding of the successful applicants and, after contacting them individually, recommend them to the MEXT.

9.3. Kyushu University International Undergraduate Scholarship

Up to 10 successful applicants in our undergraduate programs for the October admission (excluding MEXT Scholarship recipients) may receive this scholarship. From the second year onwards, a maximum of 10 students with a GPA of 3.0 or higher from the previous year will receive this scholarship.

(a) Eligibility: You may apply if you hold a foreign nationality only (applicants with dual nationality that includes Japanese as one of their nationalities are not eligible) and meet **all** of the following three

conditions:

1. You have acquired a qualification to apply for Kyushu University outside Japan.
2. You reside outside Japan at the time of application.
3. You will obtain a new student visa and enter Japan to study at Kyushu University.

(b) Amount of monthly allowance: 60,000 JPY per month

(c) How to apply: Fill out the section for scholarship application on the application form.

9.4. The Monbukagakusho Honors Scholarship for Privately Financed International Students

Some successful applicants in our undergraduate programs for the October admission (excluding MEXT Scholarship recipients) may receive this scholarship.

- (a) Eligibility: Successful applicants who reside outside of Japan
(b) Amount of monthly allowance: 48,000 JPY per month for 6 months
(c) How to apply: No application required.

Kyushu University will recommend students with excellent examination results after enrollment.

9.5. Dormitory

All successful applicants will be guaranteed a room in a university dormitory for one year during the first year*. However, the period of stay offered may change depending on the circumstances. The students themselves will be responsible for the rent (around 20,000 JPY a month). Due to the limited number of rooms, room types, and dormitories, it may not be possible to offer your first choice of accommodation.

*However, students who currently reside within/around Fukuoka City, are NOT eligible to apply for the dormitories.

<https://www.isc.kyushu-u.ac.jp/intlweb/en/student/housing>

10. Tuition Fees

Payment of the tuition fee should be made by bank transfer from your bank account after admission to Kyushu University. The payments of tuition for the Fall and the Spring Semesters are to be made in late November and late May, respectively. Payments must be made by the deadline set by the University.

【Payment for the First Year】

With the exemption of half tuition:
